ATHLETICS PRESS RELEASE

Mount Miguel High School is pleased to announce the hiring of Verlain Betofe as the next Football Head Coach for the Matadors. Coach Betofe (known to many as Coach V) brings with him a winning pedigree that has seen him amass 4 California State Championships as an assistant coach. His offensive knowledge of the game is well documented, but the reasons he stood out were separate from this part of his resume.

Verlain prides himself on mentorship to young men throughout all of San Diego County. Through his Team Makasi Organization, which meets in our neighborhood of Spring Valley, he truly carries out his organization's mission which is "to provide mentorship for the empowerment of youth through inspiration, guidance, and resources to maximize academic and athletic achievement." His personal and organizational mission mirrors that of our Matador Athletic Department's, with a high focus on creating amazing young people who will become amazing adults within our community. Our student-athletes expressed a desire to have a coach who was educated, had a championship background, a desire to be in their community, to represent them within the community and someone who would help guide their collegiate aspirations. In Coach Verlain Betofe, we found all of those things. Welcome and GO MATADORS!

About Mount Miguel

Mount Miguel High School is a public, comprehensive high school located in Spring Valley, California and serves over 1,400 students in grades nine through twelve. Opened in 1957, Mount Miguel competes in the Grossmont Athletic Conference as a member of the San Diego CIF. MMHS is the home of the Matadors, and the school colors are red and black.
